

Mickey and four of his green-thumbed neighbors were about to begin their spring gardening when they realized they were missing some supplies. The five went down to Bloom's Garden Store, where each selected a different gardening tool. Can you determine each person's full name (one last name is Robertson), as well as the type of tool he or she bought?

1. Kay, who isn't surnamed Vincenz, did not buy the weeder.
2. The one surnamed Turner bought a new spade; Len purchased a new hoe.
3. Josie bought pruners; the one surnamed Vincenz selected the trowel.
4. Natalie (who did not buy the trowel) lives next door to the one surnamed Upton (who did not purchase the pruners).
5. Natalie's last name isn't Sanders.
